*Mr. Mario Acat:* Sometimes food is very spicy and weather is warm, while it is raining almost every day it is also sunny. Anyway Thailand is very beautiful country and I love it.

*Mr. Thomas Schirling:* Before I stated internship I came 1 month before and I traveled around the country and really like in here.

*Mr. Tobias Schwegler:* I also like in here wheatear is also nice, because in Germany it is beginning to be cold right now and here is still warm.

**What have you seen in Bangkok?**

*Mr. Tobias Schwegler:* We have been to Bangkok's downtown and Sky Bar, that was super nice, also took the boat on Chao Praya River. In the future I would like to come back to Thailand, with our salaries in Germany we can do a lot of things in here, we can travel to the north or south for very cheap prices.

**What make you choose the internship at KMUTNB?**

*Mr. Andreas Ott:* Our teacher prof. Schmidt wrote in the newsletter for student about internship in Thailand, went to ask about it. Prof. Schmidt was here last year and wanted to keep the good contact between our Universities, so this is how we got here.

**Will you recommend Thailand and KMUTNB to your friends in Germany?**

*Mr. Thomas Schirling:* I definitely recommend it to everyone, because it is very good experience to have practice in a foreigner country, you can learn a lot and it is great experience.
