Inter Culture 2015

From 13th to 15th August 2015, International Cooperation Centre of KMUTNB organized the Inter Culture 2015 which was attended by 45 international students. During the first day all students visited the Grand Palace in the morning, then came back to the University for a briefing about University's regulations and Campus orientation tour after that there was an introduction of Thai language and culture.

Senior students and ICC staff gave information about basic Thai language to the international student in order to help them to communicate with Thai people and go around by themselves.

On the second and third day international students went to KMUTNB Prachinburi Campus, where there were a local group of students, whom they have prepared many activities to introduce International students to the Thai culture.

Local students have had conversation with international student in order to improve their English and communication skills. The program included traditional Thai dance made by local students in traditional clothes and cooking class of traditional Thai food like "Som Tam" prepared by international students and local students. During the last day all group of international students went to rafting in Nakhon Nayok. All these activities created a great atmosphere among the students and it was a good opportunity to make new friends and get ready for the University life.
