

Dear partners,

Chemnitz University of Technology has successfully applied for third-party-funding of a project called "InProTUC" (short from for "Doing your doctorate at Chemnitz University of Technology") which offers the opportunity for PhD-students from international partner universities to apply for a scholarship for a research visit at our university as well as for prospective PhD-students from partner universities for insight visits at our university. For more information about the project, please access the following link: <https://www.tu-chemnitz.de/zfwn/inprotuc/index.php.en> or contact Ms. Antje Pfeifer, coordinator of InProTUC at the Center for Young Scientists of Chemnitz University of Technology (Email: antje.pfeifer@zfwn.tu-chemnitz.de; phone: +49 371 531 34444).

In order to spread that information between the target group of (prospective) PhD-students from partner universities, we depend on your support. If you would like to, you may use the email below which we have prepared for you to send to your graduate/ PhD-students. Thank you so much in advance for your assistance!

"Dear doctoral candidates, dear prospective doctoral candidates,

Chemnitz University of Technology offers within the project "InProTUC" ("Doing your doctorate at Chemnitz University of Technology) scholarships for PhD-students from its international partner universities, who are planning to conduct thesis-related research at Chemnitz University of Technology. Young academics can spend up to three month at Chemnitz University of Technology for a research visit.

Also graduates from international partner universities of Chemnitz University of Technology who are taking into consideration to do a doctorate at Chemnitz University of Technology are entitled to apply for funding of a contact/information visit at Chemnitz in order to get to know the prospective supervisor and the facilities. These so-called "insight visits" are fundable up to one month.

The research and insight visits have to take place between 1 March 2017 and 31 August 2017. They are funded with a travel allowance and a subsistence allowance according the regulations of the German Academic Exchange Service. You can find further information on the project InProTUC and on the current call for application online: <https://www.tu-chemnitz.de/zfwn/inprotuc/foerderung.php.en>.

Before applying for funding, please find a supervisor at Chemnitz University of Technology willing to host and supervise you while being in Chemnitz. Applications have to be submitted together with the confirmation of a supervisor at Chemnitz University of Technology on or (best) before 31 January 2017 electronically as one pdf-file via email to Ms. Antje Pfeifer (antje.pfeifer@zfwn.tu-chemnitz.de). For getting information about the professorships and their research focus points in order to apply for supervision of your stay, please

- go to the homepage of Chemnitz University of Technology (<https://www.tu-chemnitz.de/index.html.en>)
- choose the respective faculty ("Faculty"-button right hand of the university logo)
- and then choose "professorships" on faculty website.

Please address your application for supervision of your research project to the professor personally and attach the common documents (i.a. CV, description of research project related to the research focus points of the professorship, letter of recommendation)

In case of any questions related to the call or the project as well as when having any problem with your application, please do not hesitate to contact Ms. Antje Pfeifer (Email: antje.pfeifer@zfwn.tu-chemnitz.de; phone: +49 371 531 34444).

We are looking forward to welcome you to Chemnitz University of Technology soon!"

Thank you so much in advance for your assistance! I wish you all Merry Christmas and a good start in a hopefully healthy and successful new year 2017. I am looking very much forward to further enhancing and deepen our partnerships jointly with you!

With kind regards from Chemnitz
