## Multidisciplinary International Student Conference

in parallel with :

**JWGEA** (JOINT WORKSHOP FOR GLOBAL ENGINEERS IN ASIA)

**CommTECH Camp Highlight 2017**

### WHAT IS COMMTECH IDEAS ?

CommTECH Ideas is a 3-day international student conference which invites students and young researchers from all around the world to come and share knowledge and ideas to solve real problems in society with multidisciplinary approaches. The conference will provide opportunity for oral and poster presentations, as well as 3-Minute Ideas (3MI) presentation. 3MI, adapted from the 3-Minute Thesis presentation, is an exciting presentation approach which facilitates presenters to effectively explain their original works to non-specialist audiences in three minutes. This program will enhance the perspective of participants and broaden their horizon with increased knowledge and understanding. This program will also be carried out in parallel with Joint Workshop for Global Engineer in Asia (JWGEA) and CommTECH Camp Highlight to give broader perspectives and international atmosphere.
