President
King Mongkut's University of Technology North Bangkok

Bangkok 10800

Dear Prof. Dr.-Ing. habit Suchart Sienchin,

We are pleased to announce the Air Asia Fellowship program for a distinguished Scholar to visit either one or two ASAIHL member institutions. The purpose of the Fellowship is to enable faculty members to spend time as a visiting lecture at an ASAIHL member institution.

Prior agreement between the parties concerned should be reached is due partly to the fact that supply has to be matched with demand and partly to the fact that both the sending and receiving universities have certain obligations to fulfill.

Before an application can be sent to ASAIHL, agreement should be reached between the sending institution and the receiving institution. **Only one receiving university will apply**, provided evidence is submitted to show that an agreement has been reached.

Qualification of Fellows

Distinguished scholars who go under this program will not be confined to professors only

Number of Visits

Visits must be made to at least one university on each visit

Period of Stay

There should be a minimum stay of one week and the maximum is six weeks.

Financial Arrangements

The Fellow will make the trip as service rendered to his or her university.

He will therefore automatically receive his or her regular salary.

ASAIHL will pay a supplementary living allowance of US\$100 per day, US\$500 per week, or US\$2,000 per month.

Return air-fare, economy class, will be provided by Air Asia.

Accommodation and Local Transportation

The receiving university will provide suitable accommodation and local transportation or, in lieu of, an equivalent allowance as determined by the receiving university.

Medical Care

The receiving university will provide a Fellow with medical care during the visit.

Attached are copies of the application and the agreement to be signed between the host university and the sending institution prior to sending them to the Association of Southeast Asian Institutions of Higher Learning (ASAIHL) Chulalongkorn University, 16th Floor, Chaloem Rajakumari 60 Building, Bangkok 10330, Thailand. **Application deadline 1 May 2017**

Sincerely yours,

Dr. Ninnat Olanvoravuth
