

Dear Colleagues,

Greetings from Konkuk University in Seoul, Korea! I hope this email finds you well.

I'm writing to introduce you to our **2017 International Summer Program (ISP)**, which is an affordable, two-to-four-week-long program that offers a great opportunity for students wishing to learn about Korea and experience its culture. By limiting the number of participants, we are able to provide tailored support to our students, including airport pick-up, dormitory check-in, and optional daily extracurricular activities in addition to the small classes. I have attached the 2017 International Summer Program brochure for your review and more information can be found on the program's website: summer.konkuk.ac.kr. Highlights of the program include:

- Option to choose from two sessions—Session I during July 1-15 and Session II during July 15-29—or participate in both
- Course offerings in Korean language, business, history, and culture
- Guaranteed on-campus housing
- Study trips and cultural programs
- Support from 20 Konkuk student volunteers

The student from your university will be eligible to receive reduction from the program fee as one of our partner university students. The deadline for application & payment is 31st May 2017 and we would like your students to submit their application forms via email to intl_programs@konkuk.ac.kr.

Should you have any questions or need further information, please do not hesitate to contact me. Thank you for your time and consideration. We look forward to hearing from you!

Best Regards,

Seyeong Lee
