

PATEK PHILIPPE

Watch Repair Technician Trainee Program 2017

About Patek Philippe

Since its foundation in 1839, and without interruption, Patek Philippe has been designing, developing, building and assembling timepieces that are considered by experts to be the best in the world. This is made possible through the know-how and the commitment of its 1,600 employees who tirelessly work in the Patek Philippe workshops and offices, perpetuating the traditional watchmaking art of Geneva.

Patek Philippe Singapore is the second PP institute in South Asia other than Shanghai, equipped with qualified teaching staff and learning material imported from Geneva.
