Dear Sir/Madam:

Nagaoka University of Technology would like to take this opportunity to introduce our graduate course, "International Graduate Course for Continuing Professional Development", which is offered for researchers and engineers from developing countries to provide the opportunity of advanced study, research and experience in engineering fields so that they can contribute to the industrial development of their home countries.

We are currently in the process of application to the Japanese Government in order to be authorized to nominate a certain number of successful candidates from this course for 2018 Japanese Government (Monbukagakusho) Scholarship. The applicant will be notified about the nomination of Japanese Government Scholarship along with the result of this course.

All programs for this course are conducted in English.

We would appreciate if you could let the eligible applicants know the details of this program. And it is highly appreciated if you kindly put the enclosed poster on the notice board in your department. Please note that the application deadline is on **October 6, 2017**.
