wace
advancing cooperative &
work-integrated education

January 31, 2019

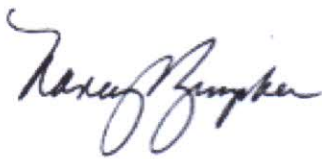

Dear Work Integrated Learning Colleague,

The World Association for Co-operative and Work Integrated Education (WACE) is holding its **2019 World Conference at the University of Cincinnati (UC), in Ohio, USA, August 5-7, 2019**. As part of this, WACE is hosting a 'by invitation only' event for senior executives at which we plan to launch what we are calling *The Cincinnati Charter*. This Charter contains calls for the scaling up of Work Integrated Learning (WIL) as a key strategy for the preparation of the "next generation" global workforce and hosting this launch at UC is quite fitting given that co-operative education was conceived there in 1905/6. We are excited to launch this Charter, with the Cincinnati namesake and built upon the success of co-operative education, which also includes many other forms of WIL designed to meet the evolving educational and employment needs of the new millennium.

We are hoping that you will be able to join us for the President's Summit on August 5, 2019 to celebrate the start of the WACE World Conference as well as actively participate in the Summit and launch of The Cincinnati Charter, hosted by UC President Dr. Neville Pinto. We are delighted to announce that **Dr. Irina Bokova, former Secretary General of UNESCO, will be the keynote speaker** on that day and may join the Summit activities as well. The Charter itself will be developed over the next few months with input from many WIL experts from across the globe, and finalized at the Summit. You will also receive an invitation to participate in this process over the coming weeks and we hope that you, or a designate, can ensure your perspectives are included in that process.

As we are limited in the numbers we are hosting at the Summit, your RSVP is much appreciated – simply push reply to this email to respond. You will of course be welcome to attend any of the other World Conference events as well, but at this time we requesting confirmation of your attendance at the **Aug 5th Summit**, which should run from **8:30 am through to 2:30pm**. Please respond to this email directly through the reply feature. We hope to see you in Cincinnati in August!

Sincerely,

Dr. N. Zimpher (USA)
*Chancellor Emeritus, SUNY
Chair, President's Summit*

Dr. M. Van Rooijen (UK)
*Chief Academic Officer GUS
Co-Chair, WACE*

Dr. S. Silapanad (TH)
*VP, Western Digital, Thailand
