To Whom It May Concern

I am very honored to have a chance to introduce our graduate school program as a dean of Graduate School, Inha University, Korea. Inha University providing 70 graduate academic programs is one of top level private universities in Korea. In fact, our university is ranked in 2018 as the 11th of 200 4-years universities by Joongang Daily Newspaper which is the best reputational media for every-year university evaluation in Korea. Currently, we have 33 graduate students from various countries. With this chance, I sincerely appreciate your university or institute for providing excellent students to our graduate school and hope continuously recruit your talented students.

Among many wonderful programs, the best graduate program of our university is the scholarship system which is ranked as the 1st here in Korea. All of students from foreign countries are financially supported by both graduate school and student advisors. For more details, please refer to brochure and leaflet which briefly introduce Inha University Graduate School. Our application period for 2019 Fall is during April. If you have any question about our program, please let us know at anytime.

Cordially Yours,

Won-Sup Hwang
Dean of Graduate school
Inha University

ACADEMIC PROGRAM

Degree Program

- Master's degree program
- Doctoral degree program
- Integrated Master's and Doctoral degree program

* Only Ph.D will be conferred without a Master's degree after completing integrated degree program.

Departments

ENGINEERING

- Architectural Engineering
- Polymer Science & Engineering
- Mechanical Engineering
- Industrial Engineering
- Materials Science and Engineering
- Energy Resources Engineering
- Electrical Engineering
- Electronic Engineering
- Information & Communication Engineering
- Naval Architecture & Ocean Engineering
- Geoinformatic Engineering
- Computer Science and Engineering
- Civil Engineering
- Aerospace Engineering
- Marine Science and Biological Engineering
- Chemistry and Chemical Engineering
- Environmental Engineering

NATURAL SCIENCE

- Nursing
- Clothing and Textiles
- Mathematics
- Mathematics Education
- Food and Nutrition
- Biological Sciences
- Marine Science and Biological Engineering
- Chemistry and Chemical Engineering
- Physics
- Statistics

HUMANITIES & SOCIAL SCIENCE

- Business Administration
- Korean Language Education
- Law
- Social Studies Education
- Communication & Information
- Japanese Language & Culture
- Sinology
- Korean Language & Literature
