

Manipal Academy of Higher Education extends a warm invitation to participate in the upcoming **Manipal International Summer School – MISS 2024** at Manipal, India.

Here's a gentle reminder inviting you to experience the academic and cultural blend for two weeks that opens up a gateway for new learnings. The international students get to explore the biodiversity and understand the intricacies of culture and traditions of coastal Karnataka. Immerse yourself in a vibrant and culturally diverse academic community and explore the language, the ethnicity, traditions and customs of the multilingual society, the vibrant local culture, food and more!

Program Highlights:

40 hours of academic and 40 hours of cultural experience for a period of two weeks spread across 20 academic themes. The **6-ECTS** course will leave behind a unique experience blended with academic excellence and cultural diversity that MAHE has to offer. We look forward to welcoming you to our picturesque campus in Manipal.

The Manipal International Summer School (MISS 2024) is scheduled to be held from **15-27 July 2024**. Visit India for a much-needed respite and enjoy the lush green beauty of Manipal.

Application deadline is extended till **15th May 2024**

For further details related to the program visit <https://summer.manipal.edu/>
